Policies: Code of Conduct

As a member or co-opted member of Middleton by Wirksworth Parish Council I have a responsibility to represent the community and work constructively with our staff and partner organisations to secure better social, economic and environmental outcomes for all.

In accordance with the Localism Act provisions, when acting in this capacity I am committed to behaving in a manner that is consistent with the following principles to achieve best value for our residents and maintain public confidence in this authority.

Selflessness

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Bullying and Harassment

Holders of public office must treat others with respect and must not pursue a course of conduct which amounts to bullying or harassment of another.

Leadership

Holders of public office should promote and support these principles by leadership and example.

The Act further provides for registration and disclosure of interests and in Middleton Parish Council this will be done as follows:

Registration of Member's Interests

Subject to section 2(1), you must within 28 days of:-

- This Code being adopted by or applied to your authority; or
- Your election or appointment to office (where that is later),

register in your authority's Register of Members' Interests (maintained under section 81 (1) of the Local Government Act 2000) details of your personal interests by providing written notification to your authority's Monitoring Officer.

Subject to section 2(1), you must, within 28 days of becoming aware of any new personal interest or change to any personal interest registered under paragraph 1 register details of that new personal interest or change by providing written notification to your authority's Monitoring Officer.

Sensitive Information

Where you consider that the information relating to any of your personal interests is sensitive information, and your authority's Monitoring Officer agrees, you need not include that information when registering that interest, or, as the case may be, a change to that interest under section 1.

You must, within 28 days of becoming aware of any change of circumstances which means that information excluded under section 2(1) is no longer sensitive information, notify your authority's Monitoring Officer asking that the information be included in your authority's Register of Member's Interests.

In this Code "sensitive information" means information whose availability for inspection by the public creates or is likely to create, a serious risk that you or a person who lives with you may be subjected to violence or intimidation.

As a Member of Middleton Parish Council, my conduct will in particular address the statutory principles of the code of conduct by:

Championing the needs of residents – the whole community and in a special way my constituents, including those who did not vote for me – and putting their interests first.

Dealing with representations or enquiries from residents, members of our communities and visitors fairly, appropriately and impartially.

Not allowing other pressures, including the financial interests of myself or others connected to me, to deter me from pursuing constituents' casework, the interests of the Parish of Middleton by Wirksworth or the good governance of the authority in a proper manner.

Exercising independent judgement and not compromising my position by placing myself under obligations to outside individuals or organisations who might seek to influence the way I perform my duties as a member/co-opted member of this authority.

Listening to the interests of all parties, including relevant advice from statutory and other professional officers, taking all relevant information into consideration, remaining objective and making decisions on merit.

Being accountable for my decisions and co-operating when scrutinised internally and externally, including by local residents.

Contributing to making this authority's decision-making processes as open and transparent as possible to enable residents to understand the reasoning behind those decisions and to be informed when holding me and other members to account but restricting access to information when the wider public interest or the law requires it.

Behaving in accordance with all our legal obligations, alongside any requirements contained within this authority's policies, protocols and procedures, including on the use of the Authority's resources.

Valuing my colleagues and staff and engaging with them in an appropriate manner and one that underpins the mutual respect between us that is essential to good local government.

Always treating people with respect, including the organisations and public I engage with and those I work alongside.

Providing leadership through behaving in accordance with these principles when championing the interests of the community with other organisations as well as within this authority.

Policies: Dignity at Work; Bullying and Harassment

Introduction

The Equality Act 2010 took effect on 1 October 2010 and replaces the previous antidiscrimination legislation. It simplifies the law removing inconsistencies and making it easier for people to understand and comply with it. It also strengthens the law in order to help tackle discrimination and inequality.

This Policy sets out Middleton Parish Council's aim to be an environment where everyone is treated with dignity and respect, equality is promoted, and diversity is valued. The policy also outlines the rights and responsibilities associated with this commitment.

A positive working and learning environment which supports dignity at work is vital to the success of the Council. Dignity and respect should underpin our day to day behaviours, and everyone has rights and responsibilities under this policy. All Council employees and Members have a right to:

- Be treated with dignity and respect.
- Work and learn in an environment free from discrimination, bullying and harassment.
- Be valued for their skills, abilities and contribution.
- All employees and Members of the Council have a responsibility to:
- Behave in an appropriate manner, and in ways that are not derogatory to others.
- Play their part in ensuring we create a positive working environment that is tolerant and supportive through treating each other with dignity and respect.
- Tactfully challenge inappropriate behaviour with confidence.
- Adherence to this policy is essential so that these rights and responsibilities are mainstreamed into the core of Council business.
- The following are features of a respectful working environment:
- All employees and Members are respected and treated politely and with courtesy.
- Actively seeking employees and Members views where appropriate in order to contribute to the development and / or improvement of Services.
- A collaborative atmosphere and systems / forums which help to promote ongoing participation of staff in all levels of service business.
- An ethos of 'distributed', or shared leadership which enables people to feel safe to:
- Take on roles and responsibilities.
- Develop their skills.
- Support colleagues.
- Take forward initiatives.
- Positive outcomes from the above features would be that employees and Members:
- Can actively contribute and see that their efforts make a difference.
- Feel a sense of engagement; people are motivated and they have a sense of belonging to and a pride in Middleton Parish Council.
- Feel they are trusted to take responsibility to act independently within their remit.
- There is a sense of having a meaningful role within the organisation.

Bullying and Harassment

In Support of our value to respect others, Middleton Parish Council will not tolerate bullying or harassment by, or of, any of their employees, officials, Members, contractors, visitors to the Council, or members of the public from the community which we serve.

Parish Council Commitment

Middleton Parish Council is committed to the elimination of any form of intimidation in the workplace. This Policy reflects the spirit in which the Council intends to undertake all of its business and outlines the specific procedures available to all employees in order to protect them from bullying and harassment. (It should be read in conjunction with the Council's *Policies on Grievance and Disciplinary handling.) The Council will issue this Policy to all employees as part of their induction and to all Members as part of their Welcome Pack. The Council may also wish to share this Policy with contractors, visitors and members of the public.

Legal Position

Bullying

"Bullying may be characterised as a pattern of offensive, intimidating malicious, insulting or humiliating behaviour; an abuse of this use of power or authority which tends to undermine an individual or a group of individuals, gradually eroding their confidence and capability, which may cause them to suffer stress." As quoted by ACAS.

Harassment

ACAS states: "Harassment is unwanted conduct that violates a person's dignity or creates an intimidating, hostile, degrading, humiliating or offensive environment."

This Policy covers ,but is not limited to, harassment on the grounds of:

- Sex
- Marriage & civil partnership
- Sexual orientation
- Race
- Colour
- Nationality
- Ethnic origin
- Religion
- Belief
- Disability
- Age

These definitions are derived from the ACAS guidance on the topic. Both bullying and harassment are behaviours which are unwanted by the recipient. Bullying and harassment in the workplace can lead to poor morale, low productivity and poor performance, sickness absence, lack of respect for others, damage to the Council's reputation and ultimately, an Employment Tribunal, or other court cases, and payment of unlimited compensation.

Examples of Unacceptable Behaviour

(This list is not exhaustive)

- Spreading malicious rumours
- Insulting someone
- Ridiculing or demeaning someone
- Exclusion or victimisation
- Unfair treatment
- Overbearing supervision, or other misuse of position or power,
- Unwelcome sexual advances
- Making threats about job security
- Deliberately undermining a competent worker by overloading work and/or constant criticism
- Preventing an individual's promotion or training opportunities

Examples of where Bullying and Harassment may occur:

Face-to-face, in meetings, through written communication, including: e-mail and telephone, or through automatic supervision methods. It may occur on or off work premises, during work hours, or non-work time.

Consequences of Bullying and Harassment

Bullying and harassment are considered examples of Serious Misconduct which will be dealt with through the Disciplinary Procedure at "Gross Misconduct level" and may result in Summary Dismissal from the Council for employees, or through referral to the Standards Board of England as a contravention of the Member's Code of Conduct which may result in penalties against the member. In extreme cases, harassment can constitute a criminal offence and the Council should take appropriate legal advice, sometimes available from the Council's insurer, if such a matter arises.

Duty of Care

Middleton Parish Council has a duty of care towards all their workers and liability under Common Law arising out of the Employment Rights Act 1996 (updated 2008 (ch24)) and the Health and Safety at Work Act 1974 (updated 2005 part 4 s27)).

Under the following laws bullying or harassment may be considered Unlawful Discrimination:

- Sex Discrimination Act 1975 (Amended 1986)
- Race Relations Act 1976 (Amended 2000) Now encompassed in Equality Act 2010
- Disability Discrimination Act 1995
- Employment Equality (Sexual Orientation) Regulations 2003
- Employment Equality (Religion or Belief) Regulations 2003
- Employment Equality (Sex Discrimination) 2005
- Employment Equality (Age) Regulations 2006
- Equality Act 2010 – which fundamentally replaces the anti-discrimination legislation.

In addition, the Criminal Justice and Public Order Act 1994 and Protection from Harassment Act 1997 created a criminal offence of harassment with a fine and/or prison sentence as a penalty and a right to damages for the victim. Furthermore, a harasser may be personally liable to pay damages if a victim complains to an Employment Tribunal for sexual, racial, disability or age discrimination.

Implementing the Policy – Process for Dealing with Complaints of Bullying and Harassment

Middleton Parish Council will adhere to the following Informal Approach.

Anyone, be it an employee, contractor, member or visitor, who feels he or she is being bullied or harassed should try to resolve the problem informally in the first instance. It may be sufficient to explain to the person(s) involved in the unwanted behaviour, that their conduct is unacceptable, offensive or causing discomfort.

Middleton Parish Council will adhere to the following Formal Approach;

For Employees:

Where the employee feels unable to resolve the matter informally any complaint about harassment or bullying can be raised confidentially and informally (initially) with the line manager and/or with the Chairman of the Parish Council, or another Councillor if more necessary. It may be appropriate for the complaint to be put in writing after the initial discussion with the Chairman, as this will enable the formal Grievance Procedure to be invoked.

For Others

(i) Any other party to the council, other than an employee, who feels he or she is being bullied or harassed, should raise their complaint with a Councillor where possible, or the Monitoring Officer, if an informal notification to a member has been unsuccessful at eliminating the problem, or where a member is directly involved in the bullying or harassment. The complaint should then be investigated and a hearing held to discuss the facts and recommend the way forward.

(ii) A member of the public who feels s/he has been bullied or harassed by any members or officers of the Council should use the Middleton Parish Council Complaints Procedure.

Grievance (Employees only)

A meeting to discuss the complaint with the complainant will normally be arranged within five working days of a written complaint being received, and will be held under the provisions of Middleton Parish Council's Grievance Procedure. This meeting will be to discuss the issues raised and a way forward for the member(s) of staff involved. Employees have a right to be accompanied by a work colleague or a trade union representative at this meeting. A full investigation of the complaint will be held by an Officer as appointed by the Chairman/Councillor who is handling the process. It may be appropriate for an external investigator to be involved in order to maintain objectivity and impartiality. The Hearing Panel will publish its recommendations following deliberation of the facts. An action plan should be made available to the complainant to demonstrate how the problem is to be resolved. It may be decided that mediation is required and if so, Middleton Parish Council should contact NALC, an employer's body or ACAS to this effect. The employee will have a right of appeal as established by the Employment Act 2002.

At all times the confidentiality of the grievance will be of paramount importance in order to maintain trust in the process, hence details of the full grievance will not be shared with the full Council without prior approval by the complainant. Middleton Parish Council will commit

not to victimise the complainant for raising the complaint once the appropriate grievance/disciplinary process has been concluded.

Disciplinary Action

Following a grievance hearing or investigation into allegations of bullying, or harassment, a full report will be made to all parties and this may result in disciplinary action being taken against the perpetrator of the alleged action/behaviour.

For an Employee found to have been bullying/harassing others, Middleton Parish Council's Disciplinary Procedure will be followed, under the Employment Act 2002 provisions and will be treated as Gross Misconduct.

For Members, whom Middleton Parish Council reasonably believe have been bullying or harassing another person(s) whilst undertaking Council activities, the action taken must be reasonable and in some cases counselling or training in appropriate skill areas e.g.: interpersonal communication, assertiveness, chairmanship etc may be more appropriate than a penalty.

The range of Disciplinary Sanctions available to the Council, where a Member has been involved in bullying/harassment include:

- Admonishment and an undertaking not to repeat the process
- Removal of opportunities to further harass/bully
- Banning from committees of the Council and representation on any outside bodies
- A referral to the Standards Board (or equivalent) by the Council and/or the aggrieved victim
- There may also be a:
- Referral to the Police under the Protection from Harassment Act 1997, (in the most extreme cases)

(This list is not exhaustive.)

False or Malicious Allegations

Any false or malicious allegations of harassment or bullying, which damage the reputation of a fellow employee/Member, will not be tolerated and will be dealt with as Serious Misconduct under the Disciplinary Procedure and/or a referral to the Standards Board.

Responsibilities

All parties to Middleton Parish Council have a responsibility to ensure that their conduct towards others does not harass or bully, or in any way demean the dignity of others. If unacceptable behaviour is observed, then each individual can challenge the perpetrator and ask them to stop.

Service Delivery

In exercising its functions and delivering services, Middleton Parish Council undertakes to share its Policy with all Members and workers and request that each party signs to demonstrate acceptance of its terms. All new Members and employees will be provided with a copy of this Policy. A review of the Policy shall be undertaken each year (or as appropriate)

and necessary amendments will be undertaken by the Clerk and reported to the full Council for approval.

The Council will undertake to ensure that its Members and workers are trained in the processes required by this Policy, as deemed appropriate.

This policy is cross-referenced to the following Parish Council's adopted policies:

- Equality & Diversity
- Discipline
- Grievance

Middleton Parish Council acknowledges the following sources of information from which this policy has been drawn:

- National Association of Local Councils – Legal Topic Note 78: Equality Act 2010 (Jan 2013)
- Government Equalities Office - Equality Act 2010: Public Sector Equality Duty What do I need to know? A Quick Start Guide for Public Sector Organisations (June 2011)

Policies: Equality and Diversity

The Equality Act 2010 took effect on 1 October 2010 and replaces the previous antidiscrimination legislation. It simplifies the law removing inconsistencies and making it easier for people to understand and comply with it. It also strengthens the law in order to help tackle discrimination and inequality.

The Public Sector Equality Duty is a key measure in the Act which came into force on 5 April 2011. All public bodies and organisations carrying out public functions have a duty to consider the needs of all individuals in their day to day work – in shaping policy, in delivering services and in relation to their own employees. There are a wide range of statutory rights and obligations, derived from this Parliamentary Act and despite any express term to the contrary, they cannot be waived. The Public Sector Equality Duty ensures that all public bodies play their part in making society fairer by tackling discrimination and providing equality of opportunity for all. The Home Office Diversity Strategy 2013-16 states:

"There is a clear focus on the actions and improvements required to champion equality, diversity and inclusion (EDI), in all we do, whether these concern staff or the wider public."

It goes on to state:

"... removing barriers to social mobility and recognising people for their efforts, skills and achievements rather than social backgrounds or where they are from."

The purpose of this policy is to provide equal opportunities for everyone who comes into contact with Middleton Parish Council, irrespective of their characteristics (unless it can be shown that the treatment is a proportionate means of achieving a legitimate aim).

To discriminate against someone means to treat them less favourably, to harass or victimise them or to subject them to a provision, criterion or practice which puts them at a disadvantage. It is unlawful to discriminate against an individual on the grounds of the following 'protected characteristics' as defined Under the Equality Act 2010 (Specific Duties) Regulations 2011

- Age
- Caring responsibilities
- Disability
- Gender identity
- Part time working
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

- Marriage and civil partnership

This policy is fully supported by all Members of the Council. Middleton Parish Council opposes all forms of unlawful and unfair discrimination whether it be direct or indirect discrimination, victimisation or harassment on the grounds of any of the protected characteristics defined in the Equality Act 2010. We are committed to the promotion and delivery of equal opportunities in the work place and in the delivery of services. In all our activities we will have due regard to the aims of the Equality Duty:

- Works towards the elimination of unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act.
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
- Foster good relations between people who share a protected characteristic and people who do not share it.
- Ensure that individuals are treated equally with respect to their specific needs and that there is consistency in the parish councils approach to working practices and conditions.
- Be a role model and try to influence others through good practice in service delivery and employment.
- Provide public information, as far as possible, in a way that best meets the needs of the person requesting it.
- Be accountable to all parishioners and encourage active participation of communities and groups in the development and application of the parish councils policies and practices.
- For all employees to attend relevant training programmes.

There is no single way that equality and diversity can be achieved. Progress will be through a number of factors, which are outlined below. These factors are fundamental in the implementation and incorporation of the core values that embrace equal opportunities and its practice:

- Consultation
- Publicity/Communication
- Community Development
- Training
- Contracts
- Employment Monitoring
- Service Delivery and Monitoring
- Policy Review
- Resources

This policy applies to all employees, volunteers, placements, contractors and members of Middleton Parish Council. In this document they will all be referred to as 'employees'.

It is accepted that members of the council are not employees, but they do share a responsibility with employees when representing the Parish Council or carrying out the functions of their office therefore all aspects of this policy apply to members.

All employees whether full-time, part-time, fixed term contract, agency workers or temporary staff, will be treated fairly and equally. Selection for employment, promotion, training, remuneration or any other benefit will be on the basis of aptitude and ability. All employees will be helped and encouraged to develop their full potential and the talents and resources of the workforce will be fully utilised to maximise the efficiency of the council.

Every employee is entitled to a working environment that promotes dignity and respect to all. No form of intimidation, bullying or harassment will be tolerated. This is further defined in the Dignity at Work policy adopted by the council.****

The commitment to equal opportunities in the workplace is good management practice and makes sound business sense as it seeks to utilise the talents available from the local community, representing Society as a whole.

Breaches of the Council's Equal Opportunities Policy will be regarded as serious misconduct and could lead to disciplinary proceedings. Employees are entitled to complain about discrimination or harassment or victimisation through the council's Grievance Procedure.***

The Council adopts the model employment contract ***as devised by the employee professional body in the local government sector (the Society of Local Council Clerks). The policy will be monitored and reviewed annually. Other Personnel policies will be reviewed against the values stated in this main Equal Opportunities policy to ensure that the council strives to remain an Equal Opportunities employer.

The policy aims to achieve the five core values, which embrace and provide a framework within which employees can work:

- Recognition that everyone is of equal value and should be respected according to individual needs and abilities.
- To be fair, reasonable and just in all council activities.
- Providing equal access for all in employment and service delivery.
- Helping individuals take on responsibility so that they can influence and participate in the decision-making process.
- Obtaining the highest standards in service delivery.

In exercising its functions and delivering services, the Parish Council will have due regard to the aims of the Equality Duty and it will take a proportionate approach when complying with it. Equality issues will be an influence on our policies and decisions and we will consider the needs of all individuals in our day to day work.

The applicant should demonstrate:

- A clear statement of what the funding would be used for
- An indication of the extent of the impact of the proposed funding
- Applicants should be a formally constituted group and have a management committee made up of volunteers
- All applications will be considered on their merits but, in general, grants will be awarded for specific projects or events. Grants will not be awarded for running costs or salaries

- A clear business plan
- Accounts for the current year supported by a current bank statement

- Feedback on the use and effectiveness of previous grants

Applicants may be asked to attend a meeting of the Parish Council to present a case for grant funding and to answer any questions members may have.

Other than in exceptional circumstances, the Parish Council will only consider one application per group per year. Grants should be spent in the financial year in which they were supplied.

Funds may only be spent for the purpose for which they were approved. Applicants will be asked to return all unspent monies to the Parish Council

The Parish Council considers applications at its monthly meetings which are generally held on the second Monday of the month (except August). Applications must be received by the agenda closing date, 11 days before the meeting. Any applications received after the closing date will be carried forward to the next meeting. In practice applicants are advised to submit applications well in advance. If you require advice on submitting a grant please contact the Parish Clerk in the first instance.

The awarding of grant assistance is entirely at the discretion of Middleton Parish Council whose decision is final.

Policies: Recording of Meetings

In accordance with the Local Government Audit and Accountability Act 2014 and the adopted Local Procedure of the Parish Council meetings may be recorded. This extends to filming, videoing, photography, and audio recording.

This procedure relates to the filming, videoing, photography, and audio recording of council meetings

The right to record, film and to broadcast meetings of the council, committees and sub committees is established following the Local Government Audit and Accountability Act 2014. This is in addition to the rights of the press and public to attend such meetings.

Members of the public are permitted to film or record meetings to which they are permitted access in a non-disruptive manner. The use of digital and social media recording tools, for example Twitter, blogging or audio recording is allowed as long as it is carried out in a non-disruptive way and only to the extent that it does not interfere with any person's ability, even where he or she has a disability, to follow the debate.

Whilst those attending meetings are deemed to have consented to the filming, recording or broadcasting of meetings, those exercising the rights to film, record and broadcast must respect the rights of other people attending under the Data Protection Act 1998.

The Chairman of the meeting has the authority to stop a meeting and take appropriate action if any person contravenes these principles or is deemed to be recording in a disruptive manner.

The Council will display requirements as to filming, recording and broadcasting at its meeting venues and those undertaking these activities will be deemed to have accepted them whether they have read them or not.

The Council may itself photograph, film, record or broadcast meetings and can retain, use or dispose of such material in accordance with its retention and disposal policies.

Policies: Outdoor seating

Scope

This policy sets out guidance to the Parish Council on the acquisition of outdoor seating including benches, siting, installation, insurance, inspection, maintenance, damage and repair, removal and disposal.

Acquisition and tracking

The Parish Council acquires benches by:

- direct purchase
- donations of memorial benches
- donation by community groups or others

The Parish Council will seek a uniformity of style of seats and benches, where possible, throughout the village.

The Parish Council may accept or decline the donation of benches at its absolute discretion.

As a decision of Council each acquisition is to be minuted. The minute number should be recorded in both the donor and asset register. Where it is proposed that the bench is sited in the public realm (or where visibility splays may be affected, or in the case of any doubt), acquisition should be subject to written approval by Derbyshire County Council Highways department.

The Parish Council may, in addition to the cost of the bench, charge donors for the reasonable cost of ground fixings, installation and for the provision of a concrete/slab pad where appropriate.

In the case of donated benches payment must be received prior to the order being placed.

Upon delivery, and prior to installation, the Clerk will update the Assets Register, and add the item(s) Parish Council's insurance policy.

In addition to the asset register, the Parish Council will keep a register of donors. This will include name, address, telephone number and email address of the donor along with a copy of the details on any memorial plaque.

Whilst it is the responsibility of the donor to advise of changes to contact details a periodic exercise should be undertaken to ensure, as far as possible, the integrity of the donor register.

Siting

Where it is proposed that the bench is sited in the public realm (or where visibility splays may be affected, or in the case of any doubt), acquisition should be subject to written approval by Derbyshire County Council Highways department.

Installation

Benches are to be installed securely, using ground anchors (or other appropriate fixings). A concrete/slab pad should be provided, as appropriate to the location.

Insurance

Benches are to be added to the Parish Council's insurance policy upon delivery and prior to first installation.

Inspection

Seating will be inspected annually (or upon receipt of reports of damage) in April, a report is to be compiled and the result reported to the Annual meeting of the Parish Council.

Maintenance

Existing (wooden) benches are to be repainted with an appropriate surface finish not less than every three years. The Parish Council will arrange for the funding of this maintenance through the precept.

Damage and Repair

In the case of damage to seating an inspection will be undertaken at the earliest opportunity, and the result reported to the Council as soon as possible. If appropriate, the seat should be taken out of use (by taping off or removal).

In the case of minor damage, the Clerk will arrange for repairs to be carried out.

Malicious or serious accidental damage will be reported to the police as appropriate and the Council's insurer advised. In the case of significant damage an assessment may be required and a decision made on repair, replacement or permanent removal. Where the damage is to a donated bench the donor should be advised in a timely and sensitive manner of the damage and the action taken or proposed.

Removal

The removal of benches is at the discretion of the Parish Council. In the case of a donated bench the donor should be advised in a timely and sensitive manner with the reasons for removal being explained.

Disposal

At the end of its lifecycle the decision to dispose of a bench should be minuted and recorded in the asset and donor registers. In the case of a donated bench the donor should be contacted and advised and given the opportunity to remove the bench or the memorial plaque, as desired, alternatively a donor may choose to provide a replacement seat. If it is necessary to remove a bench and it is not possible to make contact with the donor it is desirable to store the bench until such a time that contact can be made.

Risk Assessment

A risk assessment of the proposed site should be undertaken prior to installation. The annual inspection will form part of the general risk assessment.

Policies: Staff Recruitment

The ethos of Middleton Parish Councils role as an employer is to act effectively and to make its employees feel important and valued by having in place clear employment policies and procedures. To exercise its statutory functions Middleton Parish Council may recruit its Clerk/RFO and caretakers under section 112 of the Local Government Act 1972.

Under its recruiting process, existing job descriptions/personal specifications would be reviewed (and annually thereon) and a non-discriminatory advert, avoiding any gender, age or culturally specific language would be placed, including a statement of commitment in line with its *equal opportunities policy*, welcoming applications from all sections of the community. The advert would be placed in local newspapers, DALC, NALC and SLCC publications, parish newsletters, parish noticeboards, and website.

The application form would enquire whether the applicant has been convicted of a criminal offence and if so, to give details. The Council would check an applicant's entitlement to work in the UK as part of the selection process, as under the *Immigration, Asylum and Nationality Act 2006* it is a criminal offence to employ a person who does not have permission to work in the United Kingdom.

During interviews, the council would ensure candidate(s) were comfortable and at ease, with wheelchair access in place. Panel members would introduce themselves, asking a standard set of agreed questions to avoid potentially discriminatory questions. Records relating to the recruitment process would be kept in case a candidate brings an employment tribunal claim. Under our *Recruitment Policy*, Councillors would declare any interests as necessary. The selection process would display transparency. The council would issue 'Employment Contracts' to all employees.

Under the council's *Risk Management Policy*, the Performance Management Process, states the clerk manages the caretakers, undertaking annual appraisals. The chair and whole council acts as line manager to the Clerk and undertakes annual appraisals. Training needs will be identified under these annual appraisals.

The Council currently has three employees: the Parish Clerk/Responsible Financial Officer (RFO) and two part time caretakers.

The Parish Council is an equal opportunity employer and applies a professional approach to recruitment.

Councillors will be ineligible to take part in the recruitment process if applicants include relatives, near relatives, friends or associates of the Councillor.

The Council will prepare a Job and Person Specification, advertisement, and Application form for approval by the full Council. The Council will recommend an appropriate salary and benefits range for approval by the full Council, after taking due regard of guidance from the NALC.

The vacancy will be advertised in the public domain using one or all of the following:

- Parish Council Notice Board
- Parish Council Website
- The Parish Newsletter or equivalent (The Village Pump) - any other publication or location considered appropriate by Councillors

All candidates will be provided with the Job and Person Specification and required to complete the Application form; this must include the provision of references and curriculum vitae. The Council may reject candidates without interview, but the reasons for rejection must be recorded.

The Council will interview the selected or short listed candidates, and prepare written notes of the interview. The Council will make a decision on the basis of a majority vote.

The council will prepare a Contract of Employment (in accordance with English Law) after taking due regard of advice from NALC.

The Council will determine whether an offer should be made to the successful candidate but such offer shall be subject to the receipt of satisfactory references. The Council will approve the proposed Contract of Employment.

Successful applicants will be provided with a Contract of Employment, such contract to provide for an initial trial period of 3 months, after which there will be an annual review and appraisal.

Attending Meetings of the Planning Authority

If members of the Parish Council wish to attend a planning authority meeting as representatives of the Parish Council authority must be sought through the passing of a resolution at the Parish Council meeting prior to the Planning Authority meeting.

The Parish Clerk will notify the planning authority of the Parish Council's intention and register speakers/attendees as appropriate. The Parish Clerk may attend to represent the views of the Parish Council with prior authority.

Members attending as representatives of the Parish Council may speak but their speech must not extend further than the minuted position of the Parish Council.

Prior to the meeting representatives should acquaint themselves with the position by liaising with the Parish Clerk who will supply copies/background/notes as appropriate.

To avoid ambiguity members should clarify to the meeting of the planning authority the capacity in which they are attending, for example; "I am a Parish Councillor for Middleton by Wirksworth and I am speaking as a representative of the Parish Council..."

Members attending meetings of the planning authority in a personal capacity are advised – for the avoidance of doubt – to ensure their position is unambiguous to their audience.

Planning Authority Site Meetings

The Clerk receives a planning authority notification of a site meeting

The Clerk notifies the Chair and all members. Note: there is usually a very short time between notification and site meeting.

Any member who wishes to attend a site meeting may do so but to avoid ambiguity members must, (if speaking) clarify the capacity in which they are attending, for example; "I am a Parish Councillor for Middleton by Wirksworth and I am speaking as a representative of the Parish Council..."

Members attending as representatives of the Parish Council must notify the clerk of their intention prior to the site meeting and may speak on behalf of the Parish Council but their presentation (if such are allowed) must not extend further than the minuted position of the Parish Council.

Prior to the meeting members should acquaint themselves with the position by liaising with the Parish Clerk who will supply copies/background/notes as appropriate

Members attending meetings of the planning authority in a personal capacity are advised – for the avoidance of doubt – to ensure their position is unambiguous to their audience.

Procedures: Roll of Honour

Each year, at its September meeting the Parish Council will make an award to a member of the community who has made an outstanding contribution to the life of the village.

Procedures: Servicing of Powered Equipment

All powered equipment owned or operated by the Parish Council will be serviced in accordance with the procedures laid down and within time periods specified by the manufacturer.

It is the responsibility of the Clerk to ensure that equipment is submitted for servicing.

The Parish Council, at its annual meeting will review the servicing records of equipment.

Procedures: Urgent Business

Wherever possible urgent business will be discharged by holding an Extraordinary Meeting of the Parish Council. The Council recognises that on rare occasions very urgent decisions will need to be taken to discharge business

Where an urgent decision needs to be taken between meetings the clerk is delegated to act upon behalf of the Council to discharge such business in a timely manner, following discussion with two Councillors including the Chair (or Vice Chair in the Chair's absence).

The matter will be brought to the agenda of the next meeting to enable approval by full Council of the action taken and to allow the matter to be recorded in the minutes.

Policies: Volunteer Policy

1. Introduction

Middleton by Wirksworth Parish Council (“the Council”) has adopted this policy in order to comply with Section 3 of the Health and Safety at Work Act, 1974.

2. The purpose of this policy

The Council values volunteers and welcomes their contribution to community life in the village. This policy seeks to protect and support volunteers working for the Council and to set down the Council’s responsibilities to comply with its own employment and insurance obligations.

3. What we do

The Council works to create a lively and happy community and constantly strives to work on behalf of its parishioners on the issues that matter to the village. We want to look after our beautiful local environment and encourage bio-diversity. We respect and celebrate diversity and we aim to include everyone and listen to what they have to say. We want to improve the economic, social and mental wellbeing of everyone in the Parish and we want to provide the very best local facilities and services that we can all afford.

4. Valuing and supporting volunteers

Many of our activities involve working in partnership with community groups and volunteers. We will ensure that volunteers feel valued and supported and we will welcome their views. We will provide training, briefings and communications, as may be appropriate, to recognise the central role they play. We acknowledge that volunteers want satisfying and rewarding work that contributes to their own sense of wellbeing and personal development.

5. Working alongside the Council

The Council does not aim to introduce volunteers to replace paid staff. We expect that staff at all levels will work positively with any volunteers and where appropriate, will actively seek to involve them in their work.

6. Who are our volunteers?

Volunteers may come through community groups, direct from the community or be students from a local school or college (over the age of 16). Volunteers may give time regularly or on an occasional basis. Every volunteer has their own personal motivation and preference which we will respect.

7. How we work with our volunteers

The following guidelines deal with practical aspects of volunteering with the Council. More information can be found on the Council’s website and in copies of policies mentioned here.

8. Volunteer leaders

The Council generally works with volunteer leaders who are also volunteers. The volunteer leaders:

- Act as the point of contact with the Council
- Access funding allocated by the Council
- Organise the volunteer activities and plan the sessions
- Recruit the volunteers

- Provide training, equipment and health and safety briefings
- Maintain communication with volunteers and promote activities
- Carry out risks assessments to ensure everyone stays safe.

9. Volunteer Agreement and Task Descriptions

Each volunteer will have an agreement establishing what the Council undertakes to provide for them – mainly this is to ensure safety and insurance. Volunteers will be asked to agree to these simple guidelines. These documents do not form any sort of contract. The Council has no intention of creating a contract with local volunteers.

10. Training and Instruction

Volunteers must be adequately trained to be able to carry out the role. The exact nature of the training will depend on the role. Requirements may vary according to –

- a) The job or activity
- b) The existing competency of the volunteer
- c) The circumstances of the work, eg the degree of supervision
- d) The tools and/or equipment being used.

The training standard, however, must be sufficient to ensure the health and safety of volunteers and any people who might be affected by the work, as far as is reasonably practicable. Training will be provided by the volunteer leaders or persons nominated by them in liaison with the Council.

11. Volunteer Voice

Volunteers are encouraged to express their ideas and views about matters relating to their area of voluntary work through the volunteer leader. If a volunteer has concerns about actions of a volunteer leader or the safety or organisation of volunteer activities, they may report these direct to the Council Clerk. We aim to identify and solve problems at the earliest possible stage and to treat all volunteers fairly, objectively and consistently. The Clerk is responsible for handling problems regarding volunteers' conduct or complaints which will be handled in accordance with the Council's complaints and grievance policies. We will seek to ensure that the volunteer's views are heard, noted and acted upon promptly aiming always for a positive and amicable solution.

12. Insurance

All volunteers are covered by the Council's insurance policy whilst they are engaged in any work on the Council's behalf. It should be assumed that insurance is not provided unless that Council has explicitly authorised the activities to be undertaken. The schedule attached to this policy shows the ongoing volunteer activities the Council has authorised; others will be approved on a case-by-case basis relevant to the activity undertaken.

13. Equal Opportunities

The Council operates an Equality and Diversity Policy in respect of both paid staff and volunteers. A copy will be provided upon request. Volunteers will be expected to have an understanding of and commitment to our equal opportunities policy.

14. Safeguarding

In appropriate circumstances volunteers will be subject to DBS checks and safeguarding training will be undertaken. Primarily this applies where volunteers may be working with children or vulnerable adults.

15. Confidentiality

Volunteers will be bound by the same requirements for confidentiality as paid staff.

16. Data Protection

Personal information recorded about volunteers is stored and maintained in accordance with the Council's Data Protection Policy, a copy of which is available on our website. All volunteers agree to allow their photographs, motion pictures, and voice media taken during the volunteer activity to be used in Council publications, public relations broadcasts and in digital media unless the Council is otherwise notified in advance.
